All Your legal information and contracts can be viewed at any time via Our [website](#). Capitalized terms have the definition attributed to them in Our [General Terms and Conditions](#) of Domain Name Registration. Specifically, "You" refers to the owner of the domain name, and "We" designates Gandi. Your current contracts are freely available for viewing when You log into Your account at: <http://www.gandi.net/admin/contracts/>.

You accept that the .CM Registry can access Your personal contact information and display it in the public [Whois](#) database.

Section .CM.6. Dispute resolution policy

The Registry does not have any particular dispute resolution policy in place concerning .CM domain names. It is up to the parties involved in the dispute to resolve the dispute between themselves, either amicably or through the courts.

Section .CM.7. Transfer (change of Registrar)

The process is started on Our Interface. Before requesting the transfer of the domain, please be sure that You have the domain's authorization code (supplied by Your current Registrar), and that Your domain name:

- does not have a TransferProhibited status,
- does not expire soon (We recommend that You start the transfer request at least 1 month prior to its Expiration).

The transfer's completion requires Your confirmation (by e-mail).

Upon successfully transferring a domain, the registration period is

extended by one year.

Section .CM.8. Ownership change

The owner change can be done through a fax-based process (Gandi form and proofs of identity).

The owner change of a .CM domain name does not change the domain's Expiration date.

Section .CM.9. Deletion process

1 day before the Expiration date, the domain name is released by Gandi to the Registry. All associated technical services are deactivated.

If the domain is not renewed within this deadline, the Registry will delete the domain name, which will become available for registration on a "first come first served" basis.
