

ANNEX .PH - SPECIAL CONDITIONS FOR THE .PH ccTLD

version 1.2 – February the 22nd, 2017

In addition to Gandi's [General Terms and Conditions](#) for domain name registration, the registration and use of a .PH domain name implies the acceptance of and compliance to the present special conditions contained herein.

All Your legal information and contracts can be viewed at any time via Our [website](#). Capitalized terms have the definition attributed to them in Our [General Terms and Conditions](#) of Domain Name Registration. Specifically, "You" refers to the owner of the domain name, and "We" designates Gandi.

Section .PH.1. Trustee authority and Registry

.PH is the official country code Top-Level-Domain (ccTLD) of Philippines. The following diagram presents the various parties involved and the Trustee Authority for the .PH TLD:

Section .PH.2. Registration terms and conditions

When You apply to register a .PH domain name, You acknowledge that You have fully understood, and that You certify to have full knowledge of and that You agree to abide by all the rules and specific conditions of .PH domain names, as defined by dotPH, and which may be viewed at the following page: <https://new.dot.ph/legal>, and in particular:

- Domain Name Registration/Applicant Information Policy: <https://new.dot.ph/corporate/dnraip.html>

This contract is binding between You and the .PH Registry. The special conditions contained herein do not replace these Rules, but rather form part of them. You acknowledge to have fully understood and accepted these rules on Our website.

Section .PH.3. Special requirements

.PH special requirements are available at: <http://www.gandi.net/domain/ph/info>

.PH domain names are open to anyone.

To register a .PH domain name, You must agree to adhere to the following conditions:

- You are more than 18 years old (if registering as an individual),
- if You are a legal person, the individual contact must be a person authorized to legally bind the entity,
- provide and maintain accurate, reliable and up-to-date personal contact information, failing this the .PH Registry can delete Your domain name,
- the email address of the contacts associated to the domain name must not be composed of the domain name,
- names containing two characters followed by two hyphens and domain names with only numeric characters are not allowed.

The Registry sends You an email after the registration of Your domain name.

Gandi does not manage the « Lifetime domains ».

Section .PH.4. Registration term

The registration term is from 1 to 10 years. To avoid any deactivation of the domain name, the renewal must be paid and funds cleared **before the Expiration date**.

Section .PH.5. Pricing

Our prices can be viewed at: <https://www.gandi.net/domain/price/detail/ph>

Section .PH.6. Storage of contact information

You accept that the .PH Registry can access Your personal contact information and display it in the public [Whois](#) database.

Section .PH.7. Dispute resolution policy

The .PH Registry has set forth a specific .PH domain name alternative dispute resolution policy (dotPH UDRP) that You agree fully abide by:

- Dispute Resolution Policy: <https://new.dot.ph/corporate/udrp.html>
- Dispute Resolution Rules: <https://new.dot.ph/corporate/udrir.html>

Section .PH.8. Transfer (change of Registrar)

The transfer-in process may be initiated on Our Interface. Before requesting the transfer of the domain, please make sure You have the domain's authorization code (supplied by Your current Registrar), and that Your domain name:

- does not have a TransferProhibited status,
- does not expire soon (We recommend that You start the transfer request at least 1 month prior to its Expiration),

If You do not provide the domain's authorization code, the transfer will have to be approved by the current Registrar within 14 days, otherwise the transfer request will be rejected.

Upon successfully transferring a domain, the registration period is extended by one year.

Section .PH.9. Ownership change

The ownership change process is available on Our Interface and requires the confirmation of both parties by e-mail.

The owner change of a domain name does not change the domain's expiration date.

Section .PH.10. Deletion process

Upon the Expiration, the domain name is suspended (Hold) for 59 days, during which time all associated technical services are deactivated. Late renewal at normal price is possible during this period.

If the domain is not renewed within this deadline, the Registry will delete the domain name, which will become available for registration on a "first come first served" basis.
