Section .QUEST.3. Launch phases

The .QUEST domain name launch will occur in several phases: Landrush, Early Access Period (EAP) and general opening.

The Landrush phase will run from December 1st 2020 to February 5th 2021.

EAP will run from February 10th 2021 to March 2nd 2021. Domain names registrations during this period will be subject to additional costs decreasing over time.

General opening is scheduled for March 2nd 2021.

These dates are not definitive and are subject to change by the Registry.

Preregistrations are available at Gandi: domain names can be ordered at that time, but the registration requests will be sent to the Registry only at the beginning of the corresponding period.

Section .QUEST.4. Special requirements

.QUEST special requirements are available at:

<http://www.gandi.net/domain/quest/info>

.QUEST domain names are open to anyone.

Section .QUEST.5. Landrush

During Landrush period, anyone can register a domain name. Domain names are registered on a first come first served basis.

Section .QUEST.6. EAP

During Early Access period (EAP), anyone can register a domain name at a higher price. The registration price during this period decreases over time as displayed on Our interface.

Section .QUEST.7. "Trademark Claim Notice" period

In accordance with ICANN rules, during at least 90 days upon general opening, a "Trademark Claim Notice" period will run.

During this period if the domain name for which You requested registration is identical to a trademark that is registered and validated with TMCH (according to the "labels" generated), You will receive a warning notice ("Trademark Claim Notice") in real time on Our interface informing You that a third party has rights to the domain name You requested.

You must confirm or cancel Your registration request, with full knowledge of the notice and its consequences. It being specified that if You do not confirm the notice, Your request will not be sent to the Registry.

If You confirm Your registration request, third parties who own an identical mark are notified of Your registration.

For requests made in preregistration, beginning one day prior to the opening of the period concerned, Gandi will notify You by email of the "Trademark Claim Notice" and Your registration request will be put in "error" until You confirm or cancel Your registration via Our interface. It being specified that, in accordance with ICANN rules, if You do not confirm the notice, Gandi will not send Your registration request to the Registry upon the opening of the concerned period and cannot, in any case, be held liable for the non-registration of Your domain name and particularly if the domain name is registered by a third party who has validated the "Trademark Claim Notice" upon the opening of the period concerned.

It is Your sole and entire responsibility to confirm, if You want, all the notices received before the opening of the concerned period and the sending of Your request to the Registry.

Section .QUEST.8. Reserved names

date.

Section .QUEST.10. Pricing

For requests made in preregistration, if the domain name You have preregistered is a "premium" domain name that Gandi was not able to identify during Your order, Your request will be put in "error" and You will be notified by email. Then, You will be able to either pay the additional costs applicable to "premium" domain names in order to validate Your registration request or cancel Your request.
