The Sunrise phase will run from the 30th of March to the 1st of June, 2015. General opening is scheduled for the 1st of June, 2015. These dates are not definitive and are subject to change by the Registry.

Preregistrations during both the Sunrise and general opening phases are available at Gandi: domain names can be ordered at that time, but will not yet be registered or reserved.

#### **Section .SUCKS.4. Special requirements**

.SUCKS special requirements are available at:  
<http://www.gandi.net/domain/sucks/info>

.SUCKS domain names are open to anyone.

#### **Section .SUCKS.5. Sunrise**

##### **5.1 Eligibility rules**

Only owners of a trademark registered with the trademark rights protection mechanism “[TMCH](#)” (Trademark Clearinghouse) established by ICANN are eligible to make a request during the Sunrise period.

As a TMCH trademark agent, Gandi can proceed with the registration of Your trademarks with TMCH (service reserved to Our Corporate customers, please contact Our [Corporate team](#)).

Eligibility conditions concerning the registration of a trademark with TMCH and the applicable rules are available at the following address: <http://www.trademark-clearinghouse.com/downloads>

Once Your trademark has been validated, TMCH generates one or several "labels" strictly identical to Your trademark.

Upon the submission of Your trademark with TMCH, You can choose the Sunrise service, provided that Your trademark has been validated by TMCH. The Sunrise service includes:

- generating a “SMD” (Signed Mark Data) file that proves the validation of Your trademark and allows You to make a registration request during the Sunrise period for one or several domain names strictly identical to the “label(s)” generated, provided that You comply with the eligibility conditions and rules enacted by the Registry,
- sending notifications (NORNs) that inform You of the registration of a domain name identical to Your trademark by a third party during the Sunrise period.

During Your registration request on Our interface, You must upload Your “SMD” file for verification.

##### **5.2 Allocation rules**

Sunrise applications are not reviewed on a “first-come first-served” basis, they will be considered as having arrived at the same time:

- if only one qualified application is made for a domain name, the domain name will be registered on behalf of applicant within the days following the end of the Sunrise period,
- if multiple qualified applications are made for the same domain name, the domain name will be subject to closed auction

between all applicants for this domain name. The rules applicable to the auction procedure will be available on the website of the Registry.

When a domain name is allocated to You in Sunrise period, the third parties that are the owners of an identical mark registered within TMCH are notified of Your registration.

##### **5.3 Dispute resolution**

Any dispute relative to the validation of Your trademark with TMCH must be submitted in accordance with the dispute resolution procedure established by TMCH:

<http://www.trademark-clearinghouse.com/dispute>

Any dispute arising from the allocation of a domain name during the Sunrise period must be submitted in accordance with the dispute resolution procedure established by the Registry that You agree fully abide by:

<http://nic.sucks/docs/policies/VoxPop%20-%20Sunrise%20Dispute%20Resolution%20Policy%20v1.0.pdf>

##### **5.4. Refund Conditions**

In any case, You will not be entitled to receive any refund if Your application is rejected (“SMD” file invalid or revoked ...) or if the domain name is not granted to You (domain name granted to another person during an auction, if a third party has successfully challenged the domain name registration ...).

#### **Section .SUCKS.6. “Trademark Claim Notice” period**

In accordance with ICANN rules, during 90 days upon general opening, a “Trademark Claim Notice” period will run.

During this period if the domain name for which You requested registration is identical to a trademark that is registered and validated with TMCH (according to the “labels” generated), You will receive a warning notice (“Trademark Claim Notice”) in real time on Our interface informing You that a third party has rights to the domain name You requested.

You must confirm or cancel Your registration request, with full knowledge of the notice and its consequences. It being specified that if You do not confirm the notice, Your request will not be sent to the Registry.

If You confirm Your registration request, third parties who own an identical mark are notified of Your registration.

For requests made in preregistration, beginning one day prior to the opening of the period concerned, Gandi will notify You by email of the “Trademark Claim Notice” and Your registration request will be put in “error” until You confirm or cancel Your registration via Our interface. It being specified that, in accordance with ICANN rules, if You do not confirm the notice, Gandi will not send Your registration request to the Registry upon the opening of the concerned period and cannot, in any case, be held liable for the non-registration of Your domain name and

particularly if the domain name is registered by a third party who has validated the "Trademark Claim Notice" upon the opening of the period concerned.

It is Your sole and entire responsibility to confirm, if You want, all the notices received before the opening of the concerned period and the sending of Your request to the Registry.

#### **Section .SUCKS.7. Reserved names and premium domain names**

Some words are reserved or prohibited:

<http://www.icann.org/en/about/agreements/registries/sucks> (specification 5. schedule of reserved names), names containing two characters followed by two hyphens and names beginning or ending by a hyphen are not allowed.

The registration of "premium" domain names is not available on Our interface, You would need to contact Our customer service department for this.

For requests made in preregistration, if the domain name You have preregistered is a "premium" domain name, Your request will be put in "error" and You will be notified by email. Then You will be able to either pay the additional costs applicable to "premium" domain names in order to validate Your registration request or cancel Your request. It being specified that if You do not contact Our customer service department and do not pay the additional costs applicable to "premium" domain names, Your registration request will be not sent to the Registry.

#### **Section .SUCKS.8. Registration term**

The registration term is 1 year for requests made during the Sunrise period, and from 1 to 10 years for requests made during the general opening. To avoid any deactivation of the domain name, the renewal must be paid and funds cleared **before the Expiration date**.

#### **Section .SUCKS.9. Pricing**

Our prices may be viewed at:

<https://www.gandi.net/domain/price/detail/sucks>

"Premium" domain names are subject to specific prices that will be communicated by Our customer service department upon request.
