

ANNEX .US - SPECIAL CONDITIONS FOR THE .US ccTLD

version 1.3– January 28th, 2022

In addition to Gandi's [General Terms and Conditions](#) for domain name registration, the registration and use of a .US domain name implies the acceptance of and compliance to the present special conditions contained herein.

All Your legal information and contracts can be viewed at any time via Our [website](#). Capitalized terms have the definition attributed to them in Our [General Terms and Conditions](#) of Domain Name Registration. Specifically, “You” refers to the owner of the domain name, and “We” designates Gandi.

Section .US.1. Naming organization

.US is the official country code Top-Level-Domain (ccTLD) of the United States of America. The following diagram presents the various parties involved and the Trustee Authority for the .US TLD:

- Registry
Registry Services LLC: <http://nic.us>
- Registrar
Gandi: <http://gandi.net>

You can view the information and special rules of each party involved by clicking on the respective links.

Section .US.2. Registration policies

When You apply to register a .US domain name, You acknowledge that You have fully understood, and that You certify to have full knowledge of and that You agree to abide by all the rules and specific conditions of .US domain names, as defined by Registry Services LLC and which may be viewed at the following pages:

- .US Domain Name Registration Terms and Conditions:
<https://www.about.us/policies>
- Eligibility criteria (usTLD Nexus Requirements):

- Privacy Policy:
<https://www.about.us/policies/ustld-privacy-policy>

These contracts are binding between You and the .US Registry. The special conditions contained herein do not replace these Rules, but rather form part of them. You acknowledge to have fully understood and to have accepted these Rules on Our Website.

Section .US.3. Special requirements

.US special requirements are available at:
<http://www.gandi.net/domain/us/info>

To register a .US domain name, You must meet the eligibility criteria which may be viewed at the following page:
<https://www.about.us/policies>

.US domain names are open to people that have a contact with the United States of America:

- a person:
 - who is a United States citizen,
 - who is a permanent resident of the United States or any of its possessions or territories,
 - or whose primary place of domicile is in the United States or any of its possessions;
- a United States entity or organization:
 - that is incorporated within the United States, the district of Columbia or any of the United States possessions or territories, - or that is organized or otherwise constituted under the law of a state of the United States, the district of Columbia or any of the United States possessions or territories (including a federal, state or local government of the United States or a political subdivision thereof, or non-commercial organizations based in the United States);
- a foreign entity or organization that has a *bona fide* presence in the United States or any of its possessions or territories on the

basis of a real and substantial lawful connections with, or lawful activities in the United States. You certify that You regularly engage in lawful activities (commercial or non-commercial) in the United States or maintain an office or other property within the United States.

You certify that You satisfy these eligibility criteria, or else Registry Services LLC can delete Your domain name.

To register for a .US domain name, You must also adhere to the following conditions:

- the registration term is from 1 to 10 years;
- to avoid any deactivation of the domain name, the renewal must be paid and funds cleared **before the Expiration date**;
- You must provide and maintain accurate, reliable and up-to-date personal contact information, or else the .US Registry can delete Your domain name;
- You shall specify nameservers (DNS) located within United States;
- some words are reserved or prohibited:
<https://www.about.us/policies>
- names containing two characters followed by two hyphens are not allowed.

Section .US.4. Pricing

Our prices can be viewed on:
<https://www.gandi.net/domain/price/detail/us/>

Section .US.5. Personal data

You consent to the collect, use, copying, distribution, publication, in particular in the Registry public [Whois](#) database if applicable, modification and other processing of Your personal data by the Registry, its technical provider and their designees and agents for the purposes of providing Registry services and in accordance of the applicable law.

Section .US.6. Dispute resolution policy

Registry Services LLC has set forth specific .US domain name Alternative Dispute Resolution Policy that You agree fully abide by:

- usTLD Dispute Resolution Policy and Rules:
<https://www.about.us/policies>
- Dispute Resolution Service Providers:
<https://www.about.us/policies>

In addition, Registry Services LLC has adopted additional special rules relative to eligibility criteria (Nexus Dispute Policy), that You agree fully abide by:

- Nexus Dispute Policy and Rules:
<https://www.about.us/policies>
- Dispute Resolution Service Providers:
<https://www.about.us/policies>

Section .US.7. Transfer (change of Registrar)

The specific transfer rules can be viewed at:
<https://www.about.us/policies>

The transfer-in process may be initiated on Our Interface. Before requesting the transfer of the domain, please make sure that You have the domain's authorization code (supplied by Your current Registrar), and that Your domain name:

- does not have a TransferProhibited status;
- does not expire soon (We recommend to start the transfer request at least 1 month prior to its Expiration);
- was created at least 60 days prior to the request,
- has not been transferred within the last 60 days

The transfer's completion requires your confirmation (by e-mail).

Upon successfully transferring a domain, the registration period is extended by one year.

Trade (changing the owner and the registrar at the same time) is possible, by checking an option on Our transfer interface.

Section .US.8. Ownership change

The ownership change process is available on Our Interface, it requires the confirmation of the two parties by e-mail.

The owner change of a .US domain name does not change the

domain's Expiration date.

Section .US.9. Deletion process

Upon the Expiration of the domain, We suspend (Hold) the domain name for 30 days, during which time all associated technical services are deactivated. Late renewal at normal price is possible during this period.

Then the domain goes into Redemption Period for an additional 30 days, and all associated technical services are deactivated. It can only be restored during this period in accordance with the terms and conditions described on Our website and/or as communicated by Our customer service department.

If the domain is neither renewed nor restored within these deadlines, the Registry shall place the domain on "Pending Delete" status for several days, and then delete the domain name, which will become available for registration under the "first-come first-served" basis.
