In addition to Gandi's [General Terms and Conditions](#) for domain name registration, the registration and use of a .NO domain name implies the acceptance of and compliance to the present special conditions contained herein.

All Your legal information and contracts can be viewed at any time via Our [website](#). Capitalized terms have the definition attributed to them in Our [General Terms and Conditions](#) of Domain Name Registration. Specifically, "You" refers to the owner of the domain name, and "We" designates Gandi.

### Section .NO.1. Trustee authority and Registry

.NO is the official country code Top-Level-Domain (ccTLD) of Norway. The following diagram presents the various parties involved and the Trustee Authority for the .NO TLD:

The owner of a .NO domain name enters into direct contract with the Registry Norid, in addition to its contract with the Registrar (GANDI).

### Section .NO.2. Registration terms and conditions

When You apply to register a .NO domain name, You acknowledge that You have fully understood, and that You certify to have full knowledge of and that You agree to abide by all the rules and specific conditions of .NO domain names, as defined by Norid, and which may be viewed at the following page:

- Domain name Policy for .NO:  
<http://www.norid.no/navnepolitikk.en.html>

You shall have to specify at least 2 nameservers (DNS) that are correctly configured for the domain name that You intend to register, according to the Registry's "zonecheck" standards (<http://www.norid.no/regelverk/vedlegg-f.en.html>).

## Registration procedure

During Your registration request on Our website, You have to provide the following information:

- for organization: Your organization number with Norway's Central Coordinating Register for Legal Entities,
- for individuals: Your personal identifier (PID). This number must be previously generated with the Registry via its dedicated interface: [PID automat](#).

After launching Your registration request on Our website, You must fill out the applicant declaration form on the [Registry's website](#). If You are an organization, the declaration form must be accepted by a legal representative of Your organization as declared with Norway's Central Coordinating Register for Legal Entities.

Once the completed applicant declaration form has been recovered, You must email it to Gandi at [reg.no-process@gandi.net](mailto:reg.no-process@gandi.net), with, if You are a legal person, Your registration certificate.

**In accordance with the .NO Registry rules, Your request will be validated and Your domain name registered after the receipt of Your declaration form.**

The applicant declaration form is part of the contract between You and the .NO Registry, its purpose is to clarify the responsibility between You, the Registry and Your Registrar.

## Special procedures for certain organizations

Embassies and official committees shall have to send Us additional documentation ([Types of organizations that may apply for .no domain names](#)):

- for embassies: organization number and a written approval from the embassy stating that this organization is the official embassy of the country in question,

The Registry will check this documentation and can authorize You to register Your domain name.
