### **Section .MAKEUP.9. Transfer (change of Registrar)**

The transfer-in process may be initiated on Our Interface. Before requesting the transfer of the domain name, please make sure You have the domain's authorization code (supplied by Your current Registrar), and that Your domain name:

- does not have a TransferProhibited status,
- does not expire soon (We recommend that You start the transfer request at least 1 month prior to its Expiration),
- was created at least 60 days prior to the request,
- has not been transferred within the last 60 days.

Upon successfully transferring a domain name, the registration period is extended by one year.

### **Section .MAKEUP.10. Ownership change**

The ownership change process is available on Our Interface and requires the confirmation of both parties by e-mail.

The owner change of a domain name does not change the Expiration date.

### **Section .MAKEUP.11. Deletion process**

Upon the Expiration of the domain name, We suspend (Hold) the domain name for 45 days, during which time all associated technical services are deactivated. Late renewal at normal price is possible during this period.

Then the domain name goes into Redemption Period for an additional 30 days. It can only be restored during this period in accordance with the terms and conditions described on Our website and/or as communicated by Our customer service department.

If the domain name is neither renewed nor restored within these deadlines, the Registry shall place the domain name in "Pending Delete" status for several days, and then delete the domain name, which will become available for registration on a "first-come first-served" basis.

### **Section .MAKEUP.12. Registrant representations and guarantees**

You agree to provide and maintain accurate, reliable and up-to-date personal contact information. Failing to do so, the Registry may delete Your domain name.

You agree to comply with all applicable laws including those that relate to privacy, data collection, consumer protection (including in relation to misleading and deceptive conduct) and applicable consumer laws in respect of fair lending, debt collection, organic farming, disclosure of data and financial regulations.

If You use Your domain name to collect and or maintain sensitive health and financial data, You must comply with applicable laws on the provision of such services and including security measures

applicable to that sector.

You acknowledge and agree that distributing malware, abusively operating botnets, phishing, piracy, trademark or copyright infringement, fraudulent or deceptive practices, counterfeiting or otherwise engaging in activity contrary to applicable law are expressly prohibited. Failing to comply with this provision, You expose Yourself to the suspension of Your domain name, in addition to the prosecution for the prejudice caused to third parties and to the penalties mentioned under applicable law.

You commit Yourself to indemnify, defend and hold harmless the Registry, CentralNic and their subcontractors, and the directors, officers, employees, affiliates and agents of each of them, from and against any and all claims, damages, liabilities, costs, and expenses, including reasonable legal fees and expenses, arising out of or relating to the registration of Your domain name. This indemnification obligation shall survive the termination or expiration of the present contract.

### **Section .MAKEUP.13. Exclusion of liability and actions of the Registry**

You acknowledge and agree that the Registry reserves the right to deny, cancel or transfer any registration or transaction, or place any domain name(s) on registry lock, hold or similar status, that it deems necessary, in its discretion:

- to protect the integrity and stability of the Registry system,
- to comply with any applicable laws, government rules or requirements, requests of law enforcement, or any dispute resolution process,
