

ANNEX .VG - SPECIAL CONDITIONS FOR THE .VG ccTLD

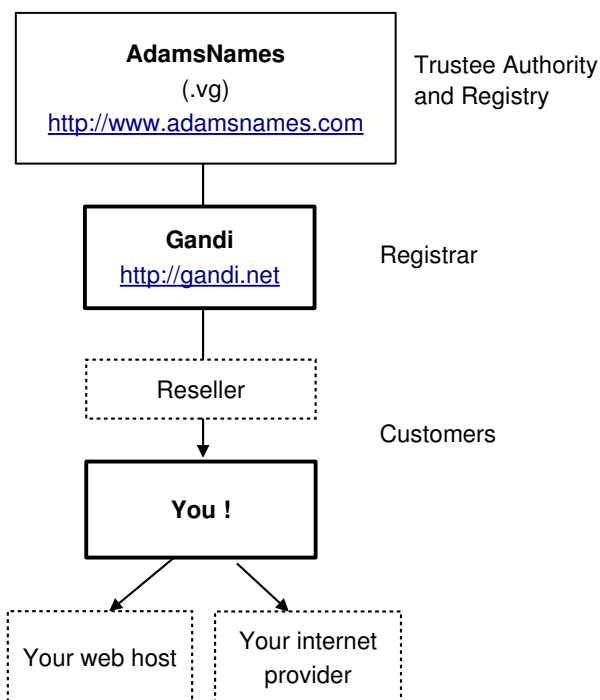

version 1.1 – August the 31st, 2012

In addition to Gandi's [General Terms and Conditions](#) for domain name registration, the registration and use of a .VG domain name implies the acceptance of and compliance to the present special conditions contained herein.

All Your legal information and contracts can be viewed at any time via Our [website](#). Capitalized terms have the definition attributed to them in Our [General Terms and Conditions](#) of Domain Name Registration. Specifically, "You" refers to the owner of the domain name, and "We" designates Gandi. Your current contracts are freely available for viewing when You log into Your account at: <http://www.gandi.net/admin/contracts/>.

Section .VG.1. Trustee authority and Registry

.VG is the official country code Top-Level-Domain (ccTLD) of British Virgin islands. The following diagram presents the various parties involved and the Trustee Authority for the .VG TLD:

Section .VG.2. Registration terms and conditions

When You apply to register a .VG domain name, You acknowledge that You have fully understood, and that You certify to have full knowledge of and that You agree to abide by all the rules and specific conditions of .VG domain names, as defined by AdamsNames, and which may be viewed at the following pages:

- Terms and Conditions: <http://www.adamsnames.com/terms-vg/>
- Whois privacy policy: <http://www.adamsnames.com/privacy-policy/>

These contracts are binding between You and the .VG Registry. The special conditions contained herein do not replace these Rules, but rather form part of them. You acknowledge to have fully understood and accepted these Rules on Our Website.

Section .VG.3. Special requirements

.VG special requirements are available at: <http://www.gandi.net/domain/vg/info>

.VG domain names are open to anyone.

To register a .VG domain name, You must agree to the following conditions:

- the registration term is from 1 to 10 years,
- to avoid any deletion of the domain name, the renewal must be paid and funds cleared **no later than 2 days before the Expiration date**,
- provide and maintain accurate, reliable and up-to-date personal contact information, failing this the .VG Registry can delete Your domain name,
- not to grant the use of Your domain name and any sub-domain to any third person,
- some words are reserved: <http://www.adamsnames.com/terms-vg/> (3.4 and 3.5),
- names containing two characters followed by two hyphens are not allowed.

Section .VG.4. Pricing

Our prices can be viewed at: <https://www.gandi.net/domain/price/detail/vg>

Section .VG.5. Storage of contact information

You accept that the .VG Registry can access Your personal contact information and display it in the public [Whois](#) database.

Section .VG.6. Dispute resolution policy

The Registry does not have any particular dispute resolution policy in place concerning .VG domain names. It is up to the parties involved in the dispute to resolve the dispute between themselves, either amicably or through the courts.

Section .VG.7. Transfer (change of Registrar)

The process is started on Our Interface. Before requesting the transfer of the domain, please be sure that You have the domain's authorization code (supplied by Your current Registrar), and that Your domain name:

- does not have a TransferProhibited status,
- does not expire soon (We recommend that You start the transfer request at least one month prior to its Expiration),
- was last transferred over 30 days ago.

The transfer's completion requires Your confirmation (by e-mail).

Upon successfully transferring a domain, the registration period is extended by one year.

Section .VG.8. Ownership change

The owner change can be done through a fax-based process (Gandi form and proofs of identity).

The owner change of a .VG domain name does not change the domain's Expiration date.

Section .VG.9. Deletion process

1 day before the Expiration date, the domain name is released by Gandi to the Registry. All associated technical services are deactivated.

At this time, the domain name is placed in Quarantine status and can be restored, in accordance with the terms and conditions described on Our website and/or as communicated by Our customer service department. The length of the Quarantine period is 29 calendar days.

If the domain is neither renewed nor restored within these deadlines, the Registry shall place the domain on "Pending Delete" status for several days, and then delete the domain name, which will become available for registration under the "first-come first-served" basis.
