

ANNEX .CM - SPECIAL CONDITIONS FOR THE .CM ccTLD

version 1.1 – December the 26th, 2024

In addition to Gandi's [Domain name registration contract](#), the registration and use of a .CM domain name implies the acceptance of and compliance to the present special conditions contained herein.

All legal information and contracts can be viewed at any time via Our [website](#). Capitalized terms have the definition attributed to them in Our [Domain name registration contract](#). Specifically, “You” refers to the owner of the domain name, and “We” designates Gandi.

Section .CM.1. Naming organization

.CM is the official country code Top-Level-Domain (ccTLD) of Cameroon.

The entities involved in naming organization for .CM are:

- Registry:
ANTIC (National Agency of Technologies of Information and Communications): <https://nic.cm>
- Registrar:
NETCOM.cm: <https://www.netcom.cm>
- Partner:
Gandi: <http://gandi.net>

You can view the information and special rules of each entity involved by clicking on the respective links.

Section .CM.2. Registration policies

When You apply to register a .cm domain name, You acknowledge that You have fully understood and You have full knowledge of, and You agree to abide by all the rules and specific conditions of .cm domain names, as defined by ANTIC, and which may be viewed at the following page:

- Naming Charter:
http://www.antic.cm/images/stories/data/Charte_de_nommage.pdf

These policies, that You acknowledge to have fully understood and to have accepted via Our website bind You to the .CM Registry. The present special conditions do not replace these rules, which are incorporated by reference, and are binding on Gandi and You.

Section .CM.3. Special requirements

.CM special requirements are available at:
<http://www.gandi.net/domain/cm/info>

.CM domain names are open to anyone.

Some words are reserved or prohibited, in particular:
http://www.antic.cm/images/stories/data/Charte_de_nommage.pdf (Articles 13 and 15).

You agree to provide and maintain accurate, reliable and up-to-date personal contact information. Failing to do so, the Registry may suspend and/or delete Your domain name.

Section .CM.4. Registration term

The registration term is from 1 to 5 years. To avoid any deletion of the domain name, the renewal must be paid and funds cleared no

later than 2 days before the Expiration date.

Section .CM.5. Pricing

Our prices can be viewed at:
<https://www.gandi.net/domain/price/detail/cm>

Section .CM.6. Personal data

You consent to the collect, use, copying, distribution, publication, in particular in the Registry public [Whois](#) database if applicable, modification and other processing of Your personal data by the Registry, and NETCOM.cm, their technical provider and their designees and agents for the purposes of providing domain name registration services and in accordance with the Registry privacy policy.

Section .CM.7. Dispute resolution policy

The Registry does not have any particular dispute resolution policy in place concerning .CM domain names. It is up to the parties involved in the dispute to resolve the dispute between themselves, either amicably or through the courts.

Section .CM.8. Transfer (change of Registrar)

The transfer-in process may be initiated on Our Interface. Before requesting the transfer of the domain name, please make sure You have the domain name authorization code (supplied by Your current Registrar), and that Your domain name:

- does not have a TransferProhibited status,
- does not expire soon (We recommend that You start the transfer request at least 1 month prior to its Expiration).

Upon successfully transferring a domain name, the registration period is extended by 1 year.

Section .CM.9. Ownership change

The ownership change process is available on Our Interface and requires the confirmation of both parties by e-mail.

The owner change of a .CM domain name does not change the domain name Expiration date.

Section .CM.10. Deletion process

1 day before the Expiration date, the domain name is released by Gandi to the Registry. All associated technical services are deactivated.

If the domain name is not renewed before this deadline, the Registry will delete the domain name, which will become available for registration on a “first come first served” basis.
