version 1.4 – October the 2nd, 2017

In addition to Gandi's [General Terms and Conditions](#) of domain name registration, the registration and use of a .CZ domain name implies the acceptance of and compliance to the present special conditions contained herein.

All Your legal information and contracts can be viewed at any time via Our [website](#). Capitalized terms have the definition attributed to them in our [General Terms and Conditions](#) of Domain Name Registration. Specifically, "You" refers to the owner of the domain name, and "We" designates Gandi.

### Section .CZ.3. Special requirements

.CZ special requirements are available on:  
<http://www.gandi.net/domain/cz/info>

.CZ domain names are open to anyone.

Furthermore, the holders having an address outside the European Union or the European Economic Area agree to provide, upon request of the Registry, judicial request or request of any competent authority (in particular the resolution authority of disputes specific to .CZ), a mailing address within the European Union or the European Economic Area or designate a representative having a mailing address within the European Union or the European Economic Area at which the holder may receive mail. Failing to provide this address within 15 days, the .CZ Registry will be entitled to delete Your domain name(s).

The process is started on Our Interface. Before starting a transfer request, please ensure that:

- You can provide the authorization code associated with the domain. You can obtain this code from the current Registrar via the domain's owner or administrative contact, or if relevant directly at the [Registry's website](#),
- Your domain does not have a TransferProhibited status,
- Your domain name does not expire soon (We recommend that

You start the transfer request at least one month before the domain's Expiration).

The transfer's completion requires your confirmation (by e-mail).

The transfer of a .CZ domain name does not change the domain's Expiration date.

#### **Section .CZ.8. Ownership change**

The ownership change process is available on Our Interface, it requires the confirmation of the two parties by e-mail.

The owner change of a .CZ domain name does not change the domain's Expiration date.

#### **Section .CZ.9. Deletion process**

.CZ domain names can be still renewed during 59 days following the Expiration date. During this period the domain name can be suspended and in that case all associated services are deactivated.

If the domain is not renewed within these deadlines, the Registry will delete the domain name, which will become available for registration on a "first come first served" basis.
