version 2.0 – April the 4th, 2018

In addition to Gandi's [General Terms and Conditions](#) for domain name registration, the registration and use of a domain name in these extensions imply the acceptance of and compliance to the present special conditions contained herein.

All legal information and contracts can be viewed at any time via Our [website](#). Capitalized terms have the definition attributed to them in Our [General Terms and Conditions](#) for domain name registration. Specifically, "You" refers to the owner of the domain name, and "We" designates Gandi.

Section.1. Trustee authority and Registry

These extensions are generic Top-Level-Domains (gTLDs). The following diagram presents the various parties involved for these TLDs:

You can view the information and special rules of each party involved by clicking on the respective links.

Section.2. Registration terms and conditions

When You apply to register a domain name in one of these extensions, You acknowledge that You have fully understood, and that You certify to have full knowledge of and that You agree to abide by all the rules and specific conditions of these extensions, as defined by ICANN, Dog Beach, LLC and Donuts and which may be viewed at the following pages:

- Donuts rules:
<http://www.donuts.co/policies>

- ICANN consensus policies:
<http://www.icann.org/en/general/consensus-policies.htm>

These contracts bind You to the Registry and Donuts. The special conditions contained herein do not replace these rules, but rather form part of them. You acknowledge to have fully understood and to have accepted these rules on Our website.

The Registry and its affiliates including Donuts, and their respective managers, directors, employees, contractors, and agents are not a party to this contract. However the Registry and Donuts are third-parties beneficiary of the present contract.

The contracts between ICANN and the Registry for each extension are available at the following address:
<https://www.icann.org/resources/pages/registries/registries-agreements-en>

Section.3. Special requirements

Links to the special requirements for each extension are available in annex.

All these extensions are open to anyone.

Some words are reserved or prohibited, in particular:
<https://www.icann.org/resources/pages/registries/registries-agreements-en> ("specification 5. schedule of reserved names" into the agreements for each extension).

Section.4. "Trademark Claim Notice"

In accordance with ICANN rules, during at least 90 days upon the general opening, a "Trademark Claim Notice" period will run.

During this period if the domain name for which You requested registration is identical to a trademark that is registered and validated with TMCH (according to the "labels" generated), You will receive a warning notice ("Trademark Claim Notice") in real time on Our interface informing You that a third party has rights to the domain name You requested.

You must confirm or cancel Your registration request, with full knowledge of the notice and its consequences. It being specified that if You do not confirm the notice, Your request will not be send to Donuts.

If You confirm Your registration request, the third parties that are the owners of an identical mark are notified of Your registration.

Section.5. Registration term

The registration term is from 1 to 10 years. To avoid any deactivation of the domain name, the renewal must be paid and funds cleared **before the Expiration date**.

Section .6. Pricing

Our prices can be viewed at:

<https://www.gandi.net/domain/price/info>

(detailed prices are available by clicking on the extension You search)

“Premium” domain names are subject to specific prices as indicated on Our interface during Your order.

Section.7. Storage of contact information

In application of ICANN contracts, all personal and technical information associated with the registration of Your domain name is recorded and made available to ICANN and IRON MOUNTAIN (ICANN's designated Registrar Data Escrow agent), in addition to messages pertaining to each registration or modification, during the entire duration of the registration of the domain name, plus the two following years.

In addition, You consent to the use, copying, distribution, publication, modification and other processing of Your personal data by the Registry and Donuts. Your personal data are collected and used by the Registry and Donuts in accordance with the privacy policy established by Donuts which may be viewed at the following page: <http://www.donuts.co/policies/privacy-policy>

You also accept that the Registry and Donuts display Your personal contact information in the [Whois](#) database.

Both the Registry and Donuts reserve the right to review the data indicated in the Whois database in order to verify the contact information associated to a domain name.

Section.8. Dispute resolution policy

You agree to participate in and fully abide by any decision made as part of the dispute resolution procedures adopted by both the Registry and Donuts, including without limitation the Acceptable Use Policy (AUP), the URS and the UDRP procedures.

You may view general documentation on the UDRP procedure at the following addresses:

- ICANN domain name dispute resolution policies: <http://www.icann.org/udrp>
- explanations: <http://www.icann.org/en/udrp/udrp.htm>
- Policy: <http://www.icann.org/en/dndr/udrp/policy.htm>
- Rules: <http://www.icann.org/dndr/udrp/uniform-rules.htm>
- Dispute Resolution Service Providers: <http://www.icann.org/en/dndr/udrp/approved-providers.htm>

The URS rules are available at the following page: <http://newgtlds.icann.org/en/applicants/urs>

In accordance with the AUP enacted by Donuts, if You are repeatedly engaged in abusive registrations or practices, the Registry and/or Donuts may, at their sole and entire discretion, delete all Your current and future registrations and refuse any new registration under all extensions managed by Donuts, as well as the ones of parties that have been acting in concert with You.

You also agree that disputes arising from the terms and conditions enacted by the Registry and Donuts, or related to the allocation of a domain name, will be submitted to a binding arbitration.

The transfer-in process is started on Our Interface. Before requesting the transfer of the domain, please be sure that You have the domain's authorization code (supplied by Your current Registrar), and that Your domain name:

- does not have a TransferProhibited status,
- does not expire soon (We recommend that You start the transfer request at least 1 month prior to its Expiration),
- was created at least 60 days prior to the request,
- has not been transferred within the last 60 days.

The transfer's completion requires Your confirmation (by e-mail).

Upon successfully transferring a domain, the registration period is extended by one year.

Section.10. Ownership change

The ownership change process is available on Our Interface, and it requires the confirmation of the two parties by e-mail.

The owner change of a domain name does not change the domain's expiration date.
