

ANNEX .PL – SPECIAL CONDITIONS FOR THE .PL ccTLD

version 1.2 – March the 31st, 2022

In addition to Gandi's [Domain name registration contract](#), the registration and use of a .PL domain name implies the acceptance of and compliance to the present special conditions contained herein.

All legal information and contracts can be viewed at any time via Our [website](#). Capitalized terms have the definition attributed to them in Our [Domain name registration contract](#). Specifically, “You” refers to the owner of the domain name, and “We” designates Gandi.

Section .PL.1. Naming organization

.PL is the official country code Top-Level-Domain (ccTLD) of Poland.

The entities involved in naming organization for .PL are:

- Registry:
NASK: <http://www.dns.pl>
- Registrar:
Gandi: <http://gandi.net>

You can view the information and special rules of each entity involved by clicking on the respective links.

Section .PL.2. Registration policies

When You apply to register a .PL domain name, You acknowledge that You have fully understood and You have full knowledge of, and You agree to abide by all the rules and specific conditions of .PL domain names, as defined by the Registry, and which may be viewed at the following pages:

- Domain Names Regulations:
<http://www.dns.pl/english/regulations.html>
- Terms and Conditions Concerning the Domain Name:
https://www.dns.pl/en/registration_domain_pl/technical_conditions

Section .PL.3. Special requirements

.PL special conditions are available at:
<http://www.gandi.net/domain/pl/info>

.PL domain names are open to anyone.

The name servers (DNS) must be correctly configured for the domain name You register.

Gandi does not provide: the Waiting List Service option; domain names corresponding to the name of a voivodeship, county, commune or town in .pl ioctl (can only be submitted directly to the NASK); second-level extensions (functional and regional) requiring special conditions; reserved domain names (ldap, mailto, news, sip, tel, www, ftp, http, https).

Section .PL.4. Registration term

The registration term is 1 year. To avoid any deletion of the domain name, the renewal must be paid and funds cleared at least 2 days before the Expiration date.

Section .PL.5. Pricing

Our rates can be viewed at the following page:
<http://www.gandi.net/domain/price/detail/pl>

Section .PL.6. Personal data

You consent to the collect, use, copying, distribution, publication, in particular in the Registry public [Whois](#) database if applicable, modification and other processing of Your personal data by the Registry, its technical provider and their designees and agents for the purposes of providing Registry services and in accordance with the Registry privacy policy.

Section .PL.7. Dispute resolution policy

The Registry didn't adopt any specific dispute resolution policy for .PL domain names. Disputes on domain names are settled before an arbitration courts or a court of general jurisdiction:
https://www.dns.pl/en/information_on_disputes

Section .PL.8. Transfer

The transfer procedure can be viewed at:
<http://www.dns.pl/english/registrar/transfer.html>

The transfer-in process may be initiated on Our Interface. Before requesting the transfer of the domain name, please make sure You have the domain's authorization code (supplied by Your current Registrar), and that Your domain name:

- does not have a TransferProhibited status,
- does not expire soon (We recommend that You start the transfer request at least 1 month prior to its Expiration).

You will receive an email from the Registry to approve the transfer.

For transfers from NASK, You have to use a special form (http://www.dns.pl/cgi-bin/en_transfer.pl) in addition.

Upon successfully transferring a domain name, the expiration date does not change.

Section .PL.9. Ownership change

The ownership change process is available on Our Interface and requires the confirmation of both parties by e-mail.

The owner change of a domain name does not change the Expiration date.

Section .PL.10. Deletion process

If the domain name is not renewed within the deadline, the domain name will be deleted by the Registry and will become available for registration on a “first-come first-served” basis.
