

ANNEX .PR - SPECIAL CONDITIONS FOR THE .PR TLD

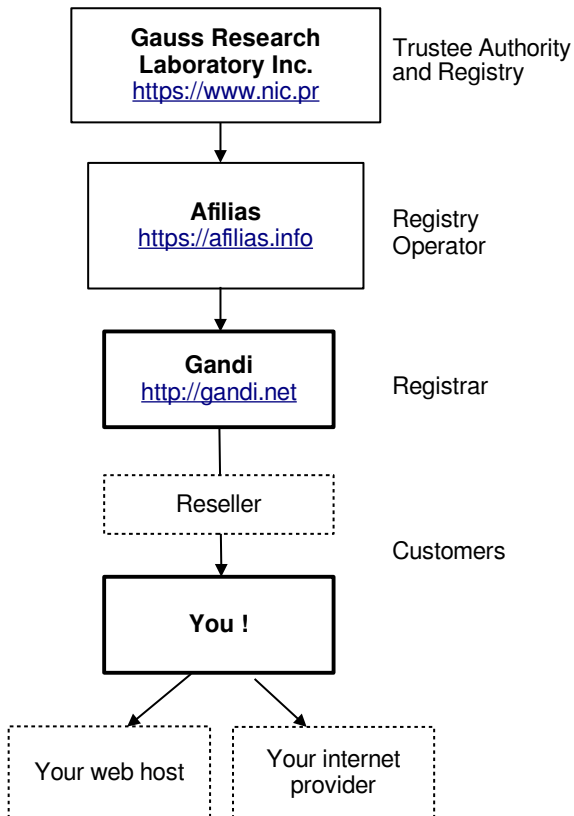

version 2.0 – January the 7th, 2018

In addition to Gandi's [General Terms and Conditions](#) for domain name registration, the registration and use of a .PR domain name implies the acceptance of and compliance to the present special conditions contained herein.

All Your legal information and contracts can be viewed at any time via Our [website](#). Capitalized terms have the definition attributed to them in Our [General Terms and Conditions](#) of Domain Name Registration. Specifically, "You" refers to the owner of the domain name, and "We" designates Gandi.

Section .PR.1. Trustee authority and Registry

.PR is the official country code Top-Level-Domain (ccTLD) of Puerto Rico. The following diagram presents the various parties involved for the .PR TLD:

You can view the information and special rules of each party involved by clicking on the respective links.

Section .PR.2. Registration terms and conditions

When You apply to register a .PR domain name, You acknowledge that You have fully understood, and that You certify to have full knowledge of and that You agree to abide by all the rules and specific conditions of .PR domain names, as defined by ICANN and Gauss Research Laboratory Inc., which may be viewed at the following page:

- Registration agreement: <https://www.nic.pr/registrationAgree.asp>

These contracts bind You to the .PR Registry. The special conditions contained herein do not replace these rules, but rather form part of them. You acknowledge to have fully understood and to have accepted these rules on Our website.

Section .PR.3. Special requirements

.PR special requirements are available at: <http://www.gandi.net/domain/pr/info>

.PR domain names are open to anyone.

Section .PR.4. Registration term

The registration term is from 1 to 10 years. To avoid any deactivation of the domain name, the renewal must be paid and funds cleared **before the Expiration date**.

Section .PR.5. Pricing

Our prices may be viewed at: <https://www.gandi.net/domain/price/detail/pr>

Section .PR.6. Storage of contact information

You consent to the use, copying, distribution, publication in particular in the [Whois](#) database and other processing of Your personal data by the Registry and its designees and agents.

Section .PR.7. Dispute resolution policy

The Registry has adopted the ICANN dispute resolution procedures UDRP (Uniform Dispute Resolution Policy) for .PR domains, that You agree fully abide by.

You may view general documentation on the UDRP procedure at the following addresses:

Section .PR.8. Transfer (change of Registrar)

The transfer-in process may be initiated on Our Interface. Before requesting the transfer of the domain, please make sure You have the domain's authorization code (supplied by Your current Registrar), and that Your domain name:

- does not have a TransferProhibited status,
- does not expire soon (We recommend that You start the transfer request at least 1 month prior to its Expiration),
- was created at least 60 days prior to the request,
- has not been transferred within the last 60 days.

The transfer's completion requires Your confirmation (by e-mail).

Upon successfully transferring a domain, the registration period is extended by one year.

Section .PR.9. Ownership change

The ownership change process is available on Our Interface and

requires the confirmation of both parties by e-mail.

The owner change of a domain name does not change the domain's expiration date.

Section .PR.10. Deletion process

Upon the Expiration of the domain, We suspend (Hold) the domain name for 45 days, during which time all associated technical services are deactivated. Late renewal at normal price is possible during this period.

Then the domain goes into Redemption Period for an additional 30 days, and all associated technical services are deactivated. It can only be restored during this period in accordance with the terms and conditions described on Our website and/or as communicated by Our customer service department.

If the domain is neither renewed nor restored within these deadlines, the Registry shall place the domain on "Pending Delete" status for several days, and then delete the domain name, which will become available for registration on a "first-come first-served" basis.

Section .PR.11. Registrant representations and guarantees

You agree to provide and maintain accurate, reliable and up-to-date personal contact information. Failing to do so, the Registry may delete Your domain name.

You commit Yourself to indemnify, defend and hold harmless the Registry and its subcontractors, and the directors, officers, employees, affiliates and agents of each of them, from and against any and all claims, damages, liabilities, costs, and expenses,

including reasonable legal fees and expenses, arising out of or relating to Your domain name. This indemnification obligation shall survive the termination of the present contract, whatever may be the cause, and is the direct consequence of Our accreditation agreement.

Section .PR.12. Exclusion of liability and actions of the Registry

You expressly acknowledge and agree that the Registry reserves the right to deny, cancel or transfer any registration or transaction, or place any domain name on "lock", "hold" or similar status, that it deems necessary, in its discretion:

- to protect the integrity and stability of the Registry and domain names system,
- to comply with applicable laws, government rules or requirements, requests of law enforcement, or any dispute resolution process,
- to avoid liability, civil or criminal, on the part of the Registry, its affiliates, subsidiaries, officers, directors and employees,
- per the terms of the present contract,
- for non-payment of fees to the Registr,
- to correct mistakes made by the Registry or any Registrar in connection to the registration of a domain name.

The Registry also reserves the right to place Your domain name in "lock" status, "hold" status or similar status during resolution of a dispute.

You acknowledge that the Registry has no liability of any kind for any loss or liability resulting from the proceedings and processes and results of any dispute resolution process regarding a registration.
